Breathing

Suggested instructions Color the respiratory system.

K - 5th grades:

Invite the children to color the respiratory system. For 4th and 5th graders you may want to ask them to color a healthy lung and a sick one.

K - 2nd grades:

Invite the children to write a sentence or two describing the respiratory system and identifying the parts of it:

- * Nose
- * Mouth
- * Trachea
- * Bronchi
- * Alveoli
- * Lung

3rd - 5th grades:

Invite the children to write one paragraph that describes the functions of the respiratory system and to identify its parts.
